EDUCATIONAL OPPORTUNITIES

Corporate Supported Symposia*:

Dinner \$25,000 **New**

Lunch \$20,000

Breakfast \$17,500

The SCMR provides you the opportunity to conduct your own educational program through our expanded Corporate Supported Symposia Program. These independently developed programs can be either CME accredited or non-CME and are designed to meet the educational needs of the CMR audience.

Benefits Include:

- Session space for up to 250 attendees (SCMR does not guarantee headcount)
- Standard audio visual package
- Inclusion within the meeting website and mobile app
- Customized alert sent to all attendees via the meeting app
- One (1) full conference registration

Product Theater*: \$10,000

Product Theaters are non-accredited 30-minute education sessions held during show hours where you can interact with attendees to demonstrate products or conduct, conduct, brief educational presentations.

Benefits Include:

- 30-minute session space for up to 125 attendees (SCMR does not guarantee headcount)
- Standard audio visual package

** Food and beverage, internet access, and additional audio visual needs are not included and can be ordered separately by sponsor if needed.*

Hands-on Case Session: \$3,000

Have your company's imaging software utilized by attendees on workstations during the popular hands-on case sessions. Three, two-hour sessions are available where the SCMR facilitators guide 40 delegates (SCMR does not guarantee headcount) through a series of cases. Each session will focus on different subject areas, namely congenital cases, stress perfusion cases, and rarer cases (i.e. cardiomyopathy, cardiac masses, etc.).

Sponsor representatives are encouraged to be in the room to assist with any technical questions and may have input into the cases. The aim of these sessions is to teach

attendees how to approach reporting and analysis as well as allowing the opportunity for sponsors to showcase features of their software. Certificates of Attendance will be given to attendees and CME credits can be claimed. The cost of workstations is divided among the number of sponsors.

Affiliate Meeting Space: \$2,000

Reserve a room in the host hotel for two-hours to conduct a user-meeting or client event. Rooms are only available during non-program hours and includes a standard audio visual package. Inquire about dates/times and room availability. Acceptable activities include client meetings, training sessions, focus groups or private demonstrations. Affiliate meetings cannot feature educational programming and will not be listed within the meeting website or mobile app.

Educational Grants

Educational grants help provide support necessary to provide a high quality, educational program. All educational grants are managed in compliance with relevant accreditation and industry compliance criteria. In order to ensure independence of all CME accredited elements, companies providing grants may not influence the topic, speaker selection, or any other aspect of the content or presentation. No promotional, commercial, or advertising materials are included. All support will be disclosed to participants. Please contact the SCMR staff to discuss how we can learn more about your company's grant process.

CORPORATE ADVISORY BOARD

The SCMR recognizes the need to effectively incorporate industry input into the activities directed towards achieving the mission of the Society. The Corporate Advisory Board (CAB) provides a unique opportunity to pool and apply financial and human resources to the benefit of all CMR stakeholders.

The CAB is comprised of a coalition of global industry leaders together with clinical, academic, and scientific leaders in the field of CME joining the leadership of the SCMR to set some common strategic directions and identify priorities. The focus is on the creation of soundly developed, actionable projects designed:

- to advocate globally for appropriate CMR utilization and reimbursement,
- to expand the availability and quality of physician education on CMR globally,
- to increase awareness of and access to CMR by referring physicians and their patients.

These projects have the overarching goal of increasing the appropriate utilization of CMR with the expected result of raising the standard and availability of cardiovascular healthcare globally.

Annual corporate membership fees are used to directly support the implementation and completion of projects defined by the CAB. Each member company is afforded two seats (includes SCMR membership).

To help support our Corporate Advisory Board partners, the SCMR will be featuring each organization throughout the year. Benefits include:

- Dedicated CAB page on the SCMR website, where each partner will be able to feature initiatives and news.
- Company overview (100 words maximum) included in one issue of the digital monthly SCMR Newsletter
- One social media (LinkedIn, Twitter) post during the year
