

NEW! ACG VIRTUAL GRAND ROUNDS

Weekly on Thursdays at Noon EDT

Live Presentation by an ACG Expert Plus Q & A

#GIhomeschooling

Even as all aspects of practice have changed due to COVID-19, your need to stay up to date on clinical GI does not stop. ACG is committed to your professional education and—until we can be together in person again—our goal is to help the GI community embrace #GIhomeschooling at this time.

ACG has launched Virtual Grand Rounds weekly on Thursdays at Noon EDT. Each week an expert faculty member will present live on a key topic followed by Q & A.
