

NHIA Round Table DATA COLLECTION FORM

2020 NHIA Annual Conference

April 5-9, 2020 | Gaylord Rockies in Denver, Colorado

Please contact Jenn Charron at Jennifer.charron@nhia.org for any questions

1. PROPOSED SESSION TITLE (*working draft title*)

Session Date and Time: April 7 and 8, 2019 | 5:00 – 6:30 PM

Title: _____

2. SPEAKER

Name: _____

Email: _____

3. Round Table Summary:

a. Topic Description – Provide a two to four sentence description of your topic

b. Additional Handouts/Tools

Attendees appreciate tangible “take-aways” or materials they can bring back to their organizations that help them apply or assimilate what they have learned at your session. Please describe any such handouts or materials that you plan to share with your audience (e.g., checklists, questionnaires, documentation forms, patient/staff education tools) that are in addition to the PowerPoint presentation. These documents will be loaded into our conference App for attendees to download and/or use at a later date.

☐ I am planning to share the following additional handouts/tools during my session (please describe):

☐ I am not certain at this time if I will have any additional handouts/tools to share.

5. Educational Activity Objectives and Content Outline

In the table below, please list the learning objectives that you will address in your presentation.

- At least three 2 learning objectives.
- Please begin each objective with a verb that can be assessed or measured to assess attendee comprehension of the material, such as “list,” “describe,” explain,” or “compare and contrast.”

OBJECTIVES

After attending this activity, the learner will be able to...

Example: Describe the purpose and general findings of the NHIA Data Definitions Survey.
