SAFE SURGERY TOGETHER

Meet the education and professional development needs of your new and experienced perioperative nursing staff with AORN's Group Membership program for ambulatory surgery centers.

DEMONSTRATE COMMITMENT: Unite and empower your staff with membership benefits that help advance perioperative nursing.

RECRUIT & RETAIN TOP TALENT: Increase the competitiveness of your benefits package to attract and retain talented perioperative staff.

MEET REGULATORY REQUIREMENTS: Meet CMS requirements for infection control training in an ASC with AORN's Infection Prevention Course

IMPROVE ONBOARDING: Build a stronger team and give staff confidence to administer the highest level of safe patient care.
