

RAISING THE BAR

FOR DIAGNOSIS & MANAGEMENT OF GASTROPARESIS: CURRENT UNDERSTANDING IN 2020

Join us at the Takeda-sponsored symposium during ACG 2020

Speakers:

Thomas Abell, MD
University of Louisville Health
Louisville, Kentucky

Linda Nguyen, MD
Stanford Health Care
Stanford, California

Henry Parkman, MD
Temple University Hospital
Philadelphia, Pennsylvania

Date:

Tuesday, October 27, 2020

Time:

6:30 – 7:30 PM ET

Educational Objectives:

- Briefly describe the pathophysiology and clinical presentation of gastroparesis
- Highlight the burden of gastroparesis on patients and healthcare systems
- Illustrate the challenges in diagnosis and long-term management

Please register and add this event to your congress schedule on the congress website. If you have any questions or would like additional information, please feel free to email Karolina Hinz at Karolina.Hinz@scimentum.com.
