

## ABSTRACT PRESENTATIONS – SPRING 2020

### Oral Abstract Presentations

Podium presentations will feature the highest-scoring abstracts submitted to SAWC. Primary contacts of these abstracts will be notified of selection for Oral presentation by the acceptance/decline deadline.

A minimum of four (4) submissions will be selected for podium presentation, including a minimum of one (1) Young Investigator. Each author will have 12 minutes to present key results of their research, followed by 2 minutes for Q&A time with the audience, animated by the experts chairing the session.

Presentations selected for our oral abstract presentation will be notified individually. Oral abstract presenters are also invited to present their abstract, in poster form, during the poster session if they desire.

These podium presentations will be held during the **SAWC Oral Abstract** session on **Sunday, May 16, 2020 at 10:30 AM – 11:30 AM**

## **Conversation with the Authors**

Many attendees have expressed that they enjoy the opportunity to converse with poster authors. However, we also recognize that your time is valuable and attending all the poster sessions can be burdensome to your schedule. Therefore, we are requesting that all presenters be available to present their poster(s) during the **SAWC Spring/WHS Poster Gala & Awards Ceremony, held on Friday, May 15, 2020, from 6:30 PM – 8:00 PM.** You are, of course, more than welcome to be present at all poster sessions.
