

AORN MEMBERSHIP

JOIN OR RENEW TODAY | [AORN.ORG/JOIN](https://aorn.org/join)

When your responsibilities for patient care go beyond your shift, think AORN—the leading voice for perioperative nurses.

Make a difference in your perioperative career with AORN membership:

- Carve your path to personal and professional growth
- Improve patient safety with valuable clinical resources
- Connect with like-minded perioperative professionals

Guideline Essentials

Videos, quick views, case studies, and more to easily apply *AORN Guidelines for Perioperative Practice*.

Continuing Education

Keep your perioperative education up-to-date with more than 200 free CNE contact hours, including *Journal* articles, webinars, and tool kits.

Information & News

Receive the latest information on evidence-based clinical practices, including the *AORN Journal* and *Periop Today* e-newsletter.

Networking

Build relationships with like-minded perioperative professionals through AORN Chapters, Specialty Assemblies, and ORNurseLink.

Clinical Practice

Access perioperative resources to support your patient's safety, including clinical FAQs and nurse consult line.

Professional Development

Accomplish your perioperative career goals with free career coaching, resume services, salary calculator, and early access to job postings.

Government Affairs

Have a lobbying voice at state capitols, take action to affect policies, and receive OR and perioperative policy updates.

Member Savings

Save up to 25% on most AORN products & events, and get discounts on retailers, insurance, and more through Periop Perks.
