

Navigating the AVA At Your Fingertips Virtual Exhibit Hall

LOGGING IN

First, make sure you are logged in so you can receive all the benefits of being an attendee!

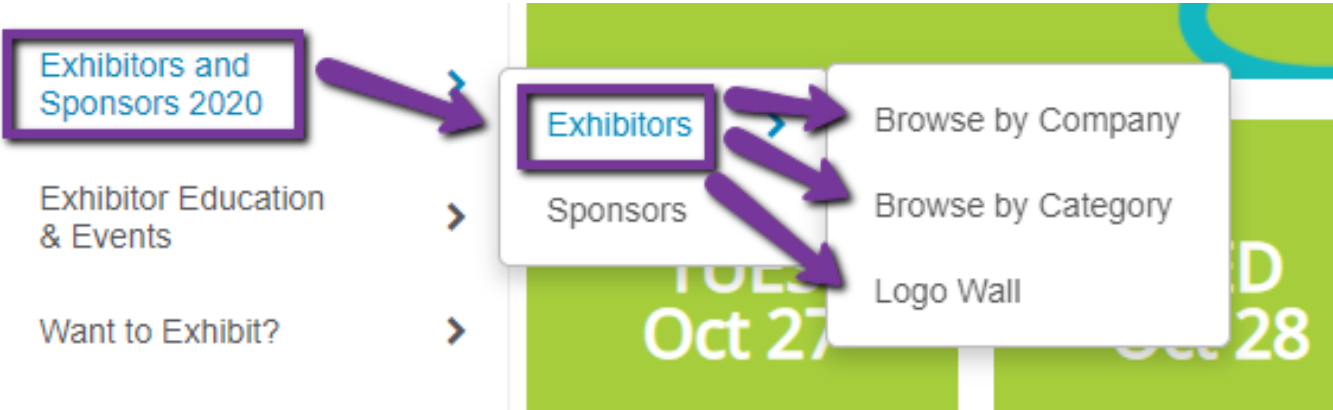

HOW TO VIEW SPONSORS/EXHIBITORS

Browse by Company: This will show a list of all exhibitors and sponsors A-Z

Browse by: Category: This will show exhibitors and sponsors by category

Logo Wall: This will show a logo listing of exhibitor and sponsors

NAVIGATING THROUGH THE BOOTHS

Once you click on a company you will see their virtual booth. From here you can view their company details, watch their intro video, click through resources, and connect with booth representatives.

To connect with company representatives there are a few different ways:

1. **Contact Info**: From here you can see the booth representatives. If you click on their image you can learn more about the representative and email them directly.
2. **Video Chat**: You are able to live video chat with booth representatives just like you are attending an in-person meeting. There will be up to 4 rooms per booth that you can join and chat with representatives as well as other attendees. View more about video chatting below.
3. **Request Information**: If you click this button you are able to write a message to the company requesting more info. The company will receive your request and get back to you by email.
4. **Exhibitor Education and Events**: Here, you can view all of the educational presentations and networking events supported by the company.

The screenshot displays the virtual booth for the Association for Vascular Access (AVA) at the 'AVA at Your Fingertips' event, held from October 27-30, 2020. The interface features a teal header with navigation icons (back, forward, favorite, like, tweet, locate, print) and a close button. The main banner includes the AVA logo, the event title, dates, and a heart icon with a hand cursor. Below the banner, the left sidebar lists navigation options: 'Company Details' (highlighted), 'Contact Info (2 representatives)', 'Exhibitor Education & Events (1 item)', 'Video Chat (2 representatives)', and 'Scan & Win (not participating)'. The central area shows a video player for the AVA intro video (0:00 / 4:27) and a grid of topic tags: Catheters, Dressing Materials, Education, Home Care, Imaging, Infection Prevention, Infusion Control Devices, Infusion Disposables, Infusion Management, Medical Device, Medications/Solutions, Patient Monitoring, Pediatrics/Neonates, and Research. The right section, titled 'Association for Vascular Access (AVA)', includes 'Giveaway' and 'Scan & Win' icons, followed by a descriptive paragraph about the organization. The bottom of the booth features a 'Giveaway!' button and two buttons: 'Website' and 'Request Information' (highlighted).

VIDEO CHATTING WITH EXHIBITORS/SPONSORS

Click on the Video Chat side bar within the booth you want to video chat with.

From here you can see the representatives who are “manning the booth.” If you hover over the representatives name- you can see when they will be available online to chat. If you wish to chat with one of the representatives, click on the red Video Chat button to be connected.

You will have the option to turn off your camera or mute yourself if needed. There is also the option for a text chat once you enter the video room as well as a “raise hand” button.

Each rooms hold 15 people so if one room is filled up- try a different representative. If all of the rooms are filled- tried back later or use the other connection features we mentioned above

Please note that exhibitors will **ONLY** be available during the times they have listed in their availability. Please hover over the video chat button to view their availability

The screenshot displays a web interface for the 'AVA at Your Fingertips' booth, dated October 27-30, 2020. The interface includes a top navigation bar with icons for Favorite, Like, Tweet, Locate this booth, and Print. The main header features the AVA logo and the event dates. A sidebar on the left lists menu items: Company Details, Contact Info (2 representatives), Exhibitor Education & Events (1 item), Video Chat (2 representatives), and Scan & Win (not participating). The 'Video Chat' menu item is highlighted with a red box. The main content area is titled 'Video Chat Representatives' and contains instructions on how to use the chat. Below the instructions, two representative profiles are shown. The first profile is for Tonya Hutchison, with a red 'Video Chat' button and a tooltip indicating to 'Hover here for availability'. The second profile is for Eric Seger, with a tooltip showing his availability schedule: Tuesday, October 27 from 1:45 - 2:45 p.m.; Wednesday, October 28 from 1:45 - 2:45 p.m.; and Thursday, October 29 from 12:30 - 1:30 p.m. At the bottom of the interface, there is a 'Giveaway!' button and two buttons for 'Website' and 'Request Information'.

SCAN AND WIN GAME & GIVEAWAYS

Scan and Win: Download the AVA Meetings app onto your phone to play! To participate, click on the exhibiting companies Scan and Win tab on the left hand side of their booth.

Scan the QR code with the AVA Meetings app and select the correct answer to the question presented. Don't worry- you have multiple tries to get the answer right.

All attendees that play the Scan and Win Game will be entered to win prizes! You can track other attendees by clicking on the leaderboard to see where you stand with the competition!

Giveaways: There will be a button on each booth that says "GIVEAWAY" if you click this button you will be taken to another screen to fill out a survey and be entered to win a prize or giveaway organized by the exhibitor- just like an booth drawing in person.
